

1 INTRODUCTION

This policy provides a framework to guide school leaders and governors and strengthen decision-making as they deal with complaints about the school.

This document meets the requirements set out in part 7 of the schedule to the Education (Independent School Standards) Regulations 2014, which states that we must have and make available a written procedure to deal with complaints from parents of pupils at the school.

It is also based on guidance published by the Education and Skills Funding Agency (ESFA) on creating a complaints procedure that complies with the above regulations, and refers to good practice guidance on setting up complaints procedures from the Department for Education (DfE).

This policy complies with our funding agreement and articles of association.

In addition, it addresses duties set out in the Early Years Foundation Stage statutory framework with regards to dealing with complaints about the school's fulfilment of Early Years Foundation Stage requirements.

This policy is based on

- The Equality Act 2010
- The Public Sector Equality Duty 2011
- DfE Best Practice Advice for School Complaints Procedures 2020
- DfE Creating an Academy Complaints Procedure
- DfE Understanding and dealing with issues relating to parental responsibility
- The Great Academies Education Trust (GAET) Vision and Values.

2 PURPOSE AND OBJECTIVES

Purpose

This policy aims to ensure that on occasions when parents/carers or other stakeholders have concerns about their child's education or about particular issues at one of our Academies, they know how to raise a concern, make a formal complaint, use the various stages of the complaints process and that people dealing with the complaint do so properly.

Objectives

The objectives of this policy are to

- Inform all stakeholders of the procedures to follow for raising concerns or complaints;
- ensure a consistent approach to concerns and complaints that arise;
- encourage resolution of concerns by informal means wherever possible;
- encourage the person with the concern or complaint to say what can be done to resolve the issue;
- support academy staff dealing with complex complaints
- ensure the system to raise and resolve concerns and complaints is easily accessible, simple to understand and use;
- ensure the process is impartial and non-adversarial.

- allow swift handling with established time-limits for action and keeping people informed of the progress;
- ensure a full and fair investigation and an independent review where necessary.
- respect people’s desire for confidentiality and maintain this where possible;
- address all the points at issue and provide an effective response and appropriate redress, where necessary
- provide information to the academy’s senior management team, Governors and the Trust so that services can be improved.

3 GUIDING PRINCIPLES

This policy is guided by legislative duties, national guidance and the GAET Vision and Values

Key legislative duties and national guidance

- The Equality Act 2010 which legally protects people from discrimination in the workplace and in wider society. The Act provides protection for people discriminated against because they are perceived to have, or are associated with someone who has, a protected characteristic.
- The Public Sector Equality Duty 2011 which ensures that all public bodies play their part in making society fairer by tackling discrimination and providing equality of opportunity for all.
- DfE Best Practice Advice for School Complaints Procedures 2020 which aims to share and encourage best practice and help schools avoid common pitfalls
- DfE Creating an Academy Complaints Procedure which sets out how complaints procedures should be drawn up and used effectively to handle complaints from parents of pupils.
- DfE Understanding and dealing with issues relating to parental responsibility which aims to help schools understand their obligations and duties in relation to the rights and responsibilities of parents, as recognised by education law.

GAET Vision and Values

Vision

“Great Academies Education Trust will be a truly outstanding, outward facing multi-academy trust supporting its academies, from their starting points, to become outstanding.

All pupils will make exceptional academic progress in all subjects and regardless of age or stage will become work and college ready.”

Our academies will be places where pupils are valued as individuals, where they will have opportunities to achieve highly, lead strongly and develop into confident, responsible and successful young adults.”

In implementing this policy, the Trust and its employees will work with all other relevant agencies to develop outstanding procedures to deal with, and learn from, complaints about its academies. By implementing the policy, parents and other stakeholders will be listened to and their concerns and complaints heard and resolved as quickly as possible. In dealing with complaints, and in learning from them, the academies will be able to better support their pupils to make progress, achieve and develop into resilient, confident, responsible and successful young adults.

Values

“All individuals will embody our values

Genuine - mutually trusting, open, honest and reflective.

Respect(ful) to all.

Excellent at what they do, striving for excellence and intolerant of mediocrity.

Achievement focussed-understanding that academic excellence is the goal and high aspirations key to each child achieving their academic potential.

Together - believing that we can make the biggest difference when we work as a strong team.”

In implementing this policy, the provision for pupils is paramount. Anyone raising a concern or making a complaint will be treated fairly and honestly. All stakeholders will be involved, as appropriate, in genuine conversation and decision-making. Conversations will include respectful challenge and will be honest and reflective. The procedures to handle concerns and complaints will always challenge mediocrity and strive for excellence. By learning from concerns and complaints our pupils will be better supported to achieve the highest academic standards possible. GAET staff will work together with each other, and other parties, to focus on the best possible well-being and academic outcomes for pupils.

4 EQUALITY

The Great Academies Education Trust recognises the protected characteristics under the Equality Act 2010. We do not discriminate against anyone on the grounds of their age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, or sexual orientation. This is in line with the Equality Act 2010 and covers both direct and indirect discrimination.

5 IMPLEMENTATION GUIDANCE

5.1 Who can make a concern or a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to Middleton Technology School about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure. A member of staff (including previous employees) wishing to make a complaint, should do this under the trust grievance policy.

5.2 What is the difference between a concern and a complaint?

A concern may be defined as *‘an expression of worry or doubt over an issue considered to be important for which reassurances are sought’*.

A complaint may be defined as *‘an expression of dissatisfaction however made, about actions taken or a lack of action’*.

It is in everyone’s interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Middleton Technology School takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

H Abbott	V2 BL	December 2023	Dec 2025	

5.3 How to raise a concern or complaint

A concern can be raised in person, in writing or by telephone. In the event of a concern about a pupil or the academy, in the first instance, you should always address your concern to the member of staff who has direct responsibility for your child's welfare i.e. your child's teacher or form tutor. They may also be made by a third party acting on your behalf, as long as they have appropriate consent to do so.

If any concern is unresolved, a complaint should be raised in writing on the Complaint Form where attempts will be made to resolve matters informally, or alternatively proceed through the formal process.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask a third-party organisation for example like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if the Trust believes that exceptional circumstances apply.

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

If possible, complaints will be dealt with immediately. In such circumstances the teacher will confirm acknowledgement of the complaint and the action taken within the academy week. This may be in person, by telephone or in writing. All contacts will be recorded in academy, e.g. on the MIS or CPOMS communication record.

If it is not possible or appropriate to deal with the concern there and then a letter of acknowledgement will be sent within five working days. An assessment will then be made about the nature and seriousness of the concern and the action that should be taken to remedy the situation. A decision will be reached and a response made within 5 further academy days. The response may be in writing, by telephone or in person. The response will be recorded on CPOMS communication record.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

If a complainant commences legal action against Middleton Technology School in relation to their complaint, we will consider whether to suspend the complaints procedure until those legal proceedings have concluded.

5.5 Resolving a complaint

At each stage in the procedure, Middleton Technology School wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology given by the principal on behalf of the academy.

5.6 Withdrawal of a complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

5.7 Exceptional Circumstances

The DfE expects complainants to have completed the school's complaints procedure before directing a complaint to them. The exceptions to this include when:

- Pupils are at risk of harm.
- Pupils are missing education.
- A complainant is being prevented from having their complaint progress through the school's complaints procedure.
- The DfE has evidence that the school is proposing to act or is acting unlawfully or unreasonably.

If a social services authority decides to investigate a situation, the headteacher or governing board may postpone the complaints procedure.

Where a matter can be resolved through a legal appeal, it will not be considered as a formal complaint. The key areas are: admissions decisions, certain decisions relating to formal assessment of SEND, and decisions to permanently exclude a child.

If a complainant commences legal action against the school in relation to their complaint, the school will consider whether to suspend the complaints procedure, until those legal proceedings have concluded.

6 Complaints Procedure

6.1 Stage 1 – Informal Complaints

It is to be hoped that most complaints can be expressed and resolved on an informal basis. Complaints should be raised with either the class teacher, year head / subject head or Principal. Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 3 of the procedure.

At the conclusion of their investigation, the appropriate person investigating the complaint will provide an informal written response within 10 school days of the date of receipt of the complaint.

If the issue remains unresolved, the next step is to make a formal complaint.

6.2 Stage 2 – Formal Complaints

Formal complaints must be made to the Principal (unless they are about the Principal), via the school office. This must be done in writing (preferably using the Complaint Form), reasonable adjustments can be made where required.

The Principal will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Within this response, the Principal will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Principal can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The Principal may appoint a Complaints Manager (a member of staff that they deem suitably qualified) to oversee the management of the complaint process.

During the investigation, the Principal (or Complaints Manager) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Principal will provide a formal written response within 15 school days of the date of receipt of the complaint.

In more complicated cases, or if the Principal is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Middleton Technology School will take to resolve the complaint.

The Principal will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2.

If the complaint is about the Principal, or a member of the governing body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 2.

Complaints about the Principal or member of the governing body must be made to the Clerk of the Local Governing Committee, Hannah Abbott, via the school office or emailed to habbott@gaet.co.uk.

Author:	Version:	Date Approved:	Review Date:	Page 7 of 19
H Abbott	V2 BL	December 2023	Dec 2025	

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire governing body or
- the majority of the governing body

Stage 2 will be escalated to the CEO of the Trust.

6.3 Stage 3 – Governor Panel

If the complainant is dissatisfied with the outcome at Stage 2 and wishes to take the matter further, they can escalate the complaint to Stage 3 – a panel hearing consisting of at least three people who were not directly involved in the matters detailed in the complaint with one panel member who is independent of the management and running of the school. The Governing Body will not interfere with the Principal’s day-to-day management of the Academy, but will investigate whether your complaint has been dealt with in an appropriate manner. This is the final stage of the complaint procedure.

A request to escalate to Stage 3 must be made to the Clerk, via the school office, within 10 school days of receipt of the Stage 2 response. At the governor panel, no further complaint can be added to the original complaint at this stage.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Requests received outside of this time frame will only be considered if the Trust considers exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 20 school days of receipt of the Stage 3 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant’s absence on the basis of written submissions from both parties.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire governing body or
- the majority of the governing body

Stage 3 will be heard by the trustees and an independent panel member.

A complainant may bring someone along to the panel meeting to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under (Human Resources) staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

COMPLAINTS POLICY

Representatives from the media are not permitted to attend and meetings must not be recorded. The Clerk will take minutes during the meeting.

At least 10 school days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least 7 school days before the meeting.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

At the meeting, each individual will have the opportunity to give statements and present their evidence, and witnesses will be called, as appropriate, to present their evidence as outlined in appendix 3.

The panel, the complainant and the school representative(s) will be given the chance to ask and reply to questions. Once the complainant and school representative(s) have presented their cases, they will be asked to leave and evidence will then be considered.

The panel will then put together its findings and recommendations from the case. The panel will also provide copies of the minutes of the hearing and the findings and recommendations to the complainant and, where relevant, the individual who is the subject of the complaint, and make a copy available for inspection by the proprietor and headteacher.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and Middleton Technology School with a full explanation of their decision and the reason(s) for it, in writing, within 10 school days.

The letter to the complainant will include details of how to contact the Education and Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by Middleton Technology School.

Author:	Version:	Date Approved:	Review Date:	Page 9 of 19
H Abbott	V2 BL	December 2023	Dec 2025	

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Middleton Technology School will take to resolve the complaint.

The panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the Principal.

A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

6.4 Recording Complaints

Written records of all complaints, investigations and outcomes will be confidentially maintained by the Academy Trust except where access is requested by the Secretary of State or a body conducting an inspection under section 163 of the 2002 Education Act.

Audio recordings of any complaints meetings are not permitted.

6.5 Serial/Unreasonable Complaints

The procedure for dealing with serial or unreasonable complaints is described in Appendix 2.

6.6 Monitoring, Evaluation and Review

An anonymous analysis of all formal complaints will be reported to the Academy Trust Board on a regular basis, together with recommendations regarding any changes necessary to the Academy Trust's Complaints Procedures.

7. ROLES AND RESPONSIBILITIES

Great Academies Education Trust

- Creates this policy and keeps it up to date
- Monitors and evaluates anonymised information regarding formal complaints on an annual basis
- Considers changes to the Trust's systems or procedures to ensure that problems of a similar nature do not recur.

Governing Body

- Undertakes panel hearings as described in 6.3 above
- Monitors and evaluates anonymised information regarding formal complaints on a termly basis
- Considers changes to the school's systems or procedures to ensure that problems of a similar nature do not recur.

Governor Panel

The panel can:

- Dismiss the complaint in whole or in part;
- Uphold the complaint in whole or in part;
- Decide on the appropriate action to be taken to resolve the complaint;
- Recommend changes to the school's systems or procedures to ensure that problems of a similar

Author:	Version:	Date Approved:	Review Date:	Page 10 of 19
H Abbott	V2 BL	December 2023	Dec 2025	

nature do not recur.

- a. No governor may sit on the panel if they have had a prior involvement in the complaint or in the circumstances surrounding it. In deciding the make-up of the panel, the GB will ensure that it is a cross-section of the categories of governor and sensitive to the issues of race, gender and religious affiliation.
- b. The aim of the hearing, held in private, will always be to resolve the complaint and achieve reconciliation between the school and the complainant. However, it has to be recognised the complainant might not be satisfied with the outcome if the hearing does not find in favour. It may only be possible to establish the facts and make recommendations which will satisfy the complainant that his or her complaint has been taken seriously.
- c. The GB acknowledges that many complainants feel nervous and inhibited in a formal setting. Parents often feel emotional when discussing an issue that affects their child. The panel chair will ensure that the proceedings are as welcoming as possible.
- d. Extra care will be taken when the complainant is a child. Careful consideration of the atmosphere and proceedings will ensure that the child does not feel intimidated. The panel will be aware of the views of the child and give them equal consideration to those of adults. Where the child's parent is the complainant, it would be helpful to give the parent the opportunity to say which parts of the hearing, if any, the child needs to attend.
- e. The governors sitting on the panel need to be aware of the complaints procedure.
- f. The chair of the panel seeks support and/or specialist advice from the Trust if appropriate

Clerk to the governor panel

The clerk will be the contact point for the complainant and is required to:

- Set the date, time and venue of the hearing, ensuring that the dates are convenient to all parties and that the venue and proceedings are accessible;
- Collate any written material and send it to the parties in advance of the hearing;
- Meet and welcome the parties as they arrive at the hearing;
- Record the proceedings;
- Share notes / minutes of the meeting.
- Notify all parties of the panel's decision.

Principal

- Hears Stage 2 complaints as described 6.2 above
- Seeks support and/or specialist advice from the Trust if appropriate

School Complaints Coordinator

Stage 1 Complaints

- Establishes what has happened so far, and who has been involved;
- Clarifies the nature of the complaint and what remains unresolved;
- Speaks to the complainant (if further information is necessary);
- Clarifies what the complainant feels would put things right;
- Identifies an appropriate person to investigate;
- Seeks support and/or specialist advice from the Trust if appropriate

All complaints

- Keeps a record of the progress of all formal complaints;
- Produces an anonymised report on complaints for the governing body.

Investigator

Stage 1 Complaints

- Interviews those involved in the matter, allowing them to be accompanied if they wish;
- Conducts interviews with an open mind and is prepared to persist in the questioning;
- Keeps notes of the interview or arrange for an independent note taker to record the minutes of the meeting;
- Prepares a response to the complaint.

APPENDIX 2 - SERIAL AND UNREASONABLE COMPLAINTS

Great Academies Education Trust is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with the school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

Great Academies Education Trust defines unreasonable complainants as *'those who, because of the frequency or nature of their contacts with the school/Trust, hinder our consideration of their or other people's complaints'*.

A complaint may be regarded as unreasonable when the person making the complaint:-

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance;
- refuses to co-operate with the complaints investigation process while still wishing their complaint to be resolved;
- refuses to accept that certain issues are not within the scope of a complaints procedure;
- insists on the complaint being dealt with in ways which are incompatible with the adopted complaints procedure or with good practice;
- introduces trivial or irrelevant information which the complainant expects to be taken into account and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales;
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced;
- changes the basis of the complaint as the investigation proceeds;
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed);
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education;
- seeks an unrealistic outcome;
- makes excessive demands on school time by frequent, lengthy, complicated and stressful contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.

A complaint may also be considered unreasonable if the person making the complaint does so either face-to-face, by telephone or in writing or electronically:-

- maliciously;
- aggressively;
- using threats, intimidation or violence;
- using abusive, offensive or discriminatory language;
- knowing it to be false;
- using falsified information;
- publishing unacceptable information in a variety of media such as in social media websites and newspapers.

Author:	Version:	Date Approved:	Review Date:	Page 14 of 19
H Abbott	V2 BL	December 2023	Dec 2025	

Complainants should limit the numbers of communications with a school while a complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text) as it could delay the outcome being reached.

Whenever possible, the Principal or Chair of Governors will discuss any concerns with the complainant informally before applying an 'unreasonable' marking.

If the behaviour continues the Principal will write to the complainant explaining that their behaviour is unreasonable and asking them to change it. For complainants who excessively contact the academy causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will usually be reviewed after 6 months.

In response to any serious incident of aggression or violence, the concerns and actions taken will be put in writing immediately and the police informed. This may include banning an individual from the academy premises.

Barring from the School Premises

Although fulfilling a public function, schools are private places. The public has no automatic right of entry. Schools will therefore act to ensure they remain a safe place for pupils, staff and other members of their community.

If a parent's behaviour is a cause for concern, a school can ask him/her to leave school premises. In serious cases, the Principal or the Academy Trust can notify them in writing that their implied licence to be on school premises has been temporarily revoked subject to any representations that the parent may wish to make. Schools should always give the parent the opportunity to formally express their views on the decision to bar in writing.

The decision to bar should then be reviewed, taking into account any representations made by the parent, and either confirmed or lifted. If the decision is confirmed the parent should be notified in writing, explaining how long the bar will be in place.

Anyone wishing to complain about being barred can do so, by letter or email, to the Principal or Chair of Governors. However, complaints about barring cannot be escalated to the Department for Education. Once the school's own complaints procedure has been completed, the only remaining avenue of appeal is through the Courts; independent legal advice must therefore be sought.
