SCHOOL UNIFORM POLICY

Our policies are underpinned by the United Nations Convention on the Rights of a Child because we believe everyone should enjoy their rights and understand their responsibilities.

- Article 1: Everyone under 18 years of age has all the rights in the Convention
- Article 2: The Convention applies to everyone, whatever their race, religion, abilities; whatever they think or say, whatever type of family they come from
- Article 3: All organisations concerned with children should work towards what is best for each child

School Uniform is a very important indicator of high standards in the school and protects the school and its students from violent street culture that exists today.

Why Have a School uniform? :

- it improves school security by making it easier to identify intruders; (Article 36)
- it gives pupils a pride in and a sense of belonging to school;
- it identifies school pupils as belonging to a particular school thereby discouraging truanting;
- it heightens the reputation of the school in the community;
- it gives pupils an equality of appearance thereby discouraging competition;
- it is more hardwearing and thus better value for money than other clothing;
- it encourages school discipline and a work ethic amongst pupils. (Article 28)

It is also important that all parents, staff and students understand and support the public image of the school, as a good school reputation supports students when they leave us to seek opportunities in further/higher education or in the world of work. (Article 28)

1. All students are expected to wear all items of school uniform and to be correctly dressed, in school, on the way to and from school and at lunchtime.
2. Parents will be informed prior to entry in year 7 of the requirements for school uniform.
3. All parents will be given one terms notice of any impending changes to school uniform.
4. Students may not wear items of clothing that are not part of the official school uniform (apart from outer coat) without the permission of either the Head teacher or his/her delegated representative.

5. The school reserves the right to isolate any students who choose not to comply with the school uniform policy.

A further note to Parents:

It is important that you realise that the school is very disciplined to ensure that students achieve. We expect high standards from all who are involved in its working. (Article 28). You must expect a response from us if your child does not come to school with the necessary equipment or wears clothes that are not part of the official school uniform e.g. caps, neck-warmers, denim jackets, hooded jumpers, trainers or anything that we consider to be “street culture”.

We do not expect your child to be out of school at any time, including lunchtime - unless you have previously contacted school and the Head teacher has approved it.

Equipment

This is a large school and students will have lessons in many different rooms. It is important that students look after their equipment and uniform and put their names on everything. A suitable **bag** to carry equipment is essential.

Handbags and small “man” bags are not allowed. A suitable bag must be big enough to contain all books (A4 size) and equipment and is not a fashion item. Usually students prefer to have a separate drawstring bag for PE.

We will ask students to replace bags if we consider them unsuitable so please avoid any fashion pressure.

To be properly equipped for lessons your child will need the following: -

- Pencil Case including
- Pens, pencils, ruler, rubber
- Purple Pen –Year 7 will be given one of these
- Reading book in the bag
- A scientific electronic calculator
- Coloured pencils

- Maths equipment (protractor and compass)
